Booking & Payment

Payment to be made as follows: Retainer (half of the invoiced amount) is due up front for booking. A PayPal invoice will be sent to your email where you can pay via Credit or Debit. Once payment is made you will be sent a calendar invite to the same email with all the details of the session. Once you finalize your selections, the other half of your payment will be due.

Process

A link via email will be sent for the Online Gallery where you can select your images that you wish to submit for editing/download your videos. Once this is complete you will notify me that you're ready to move forward with editing. This is when the final half of the invoice will be due. I will then edit the images and upload them in most cases within 2-4 business days. This will be sent to your email. You will then be able to download your images and order prints from the gallery. Flash Drives/ CDs are available for an additional charge of \$15 and will be shipped.
